FOR PARENTS — HONEST ANSWERS

Questions Parents Ask.

What is the actual fee structure? Are there hidden charges?

B.Tech total fee is ₹3.64L–₹11.1L (4 years) depending on specialization. No hidden charges. The university publishes a full fee schedule including hostel (₹90K–₹1.5L/yr), bus (₹50K/yr), and application fee (₹1,000).

How safe is the campus for girls? Is hostel available?

JECRC has separate boys and girls hostels with 2,000+ capacity, 24/7 CCTV security, a dedicated medical centre, and contactless food delivery. Located in Sitapura Industrial Area, Jaipur — 25–30 min from city centre.

Is JECRC placement 100% guaranteed?

No university can legally guarantee 100% placement. At JECRC, 85–90% of eligible students are placed, with the top 30% averaging 10.7 LPA. Mandatory 6-month internships significantly boost employability.

Is JEE mandatory for B.Tech admission?

No. Admission is merit-based (Class 12 marks) or entrance-based (JEE Main). A good JEE percentile qualifies you for a higher scholarship bracket.

Can my child transfer to JECRC in 2nd or 3rd year?

Yes. JECRC accepts lateral entry for diploma holders (direct 2nd year B.Tech) and migration/transfer from other universities, subject to seat availability.
